

5 Rooms to Stage When Selling Your Home [VIDEO]

By Tori Toth

Prepping your home for prospective buyers can be daunting. You want to make sure you're accentuating your home's strengths while, at the same time, minimizing any weak spots. It might also feel a little overwhelming to figure out how to get your home ready for an upcoming showing.

Watch as Tori Toth — home staging expert — talks about the five rooms to stage in your home so you can get your abode ready for potential buyers.
